## REMARKS

Please revive the presently unintentionally abandoned patent application .

A “Declaration and Power of Attorney for Patent Application” was signed by co-inventor David M. File on January 8, 2004. It was filed in the Patent and Trademark Office using an erroneous serial number: 09/122,003.

Mr. File re-executed a copy of the erroneously filed “Declaration and Power Of Attorney For Patent Application” on June 20, 2005. My office received the attached re-executed copy of the “Declaration and Power of Attorney for Patent Application” on July 1, 2005. The re-execution of the copy of the “Declaration and Power of Attorney for Patent Application” was necessary since the original was lost due to erroneous filing in the Patent and Trademark Office

A fee to revive this unintentionally abandoned patent application is hereby being paid.

Acceptance of the attached re-executed “Declaration and Power of Attorney For Patent Application” from David M. File is respectfully requested.

A copy of a “Notice Of Incomplete Reply (Nonprovisional)” is also attached.
